

NOTICE TO MEMBERS RE: NEW WEBSITE & BOOKING SYSTEM.

Dear: Sands Torquay Member,

As from September 1st our website and online booking system will change, to a new more interactive and information rich site. To allow members to become familiar with the new site and online booking system, the site will have a practice timesheet for 2 weeks from September 1st and therefore the current internet bookings facility will not be available. Tutorials for the booking system will be available in the members news section of the new site. For this period please book via the proshop on 0352648801.

Timesheets will be available for bookings 15 days in advance at 2.30pm in the afternoon; We will not have any live timesheets available for bookings until the timesheet for Saturday 29th of September, which will be open for bookings on September 14th at 2.30pm.

Please also be aware that timesheets close the morning of the competition at 2am, from then on any cancellations must be made through the proshop. This method of opening timesheets at this time has been recommended by MiClub (creators of the system) whom have found that this is the fairest to all members, with success at over 100 clubs throughout Australia.

Timesheet	Timesheet Opens
Saturday	Friday – 15 days prior at 2.30pm
Sunday	Saturday - 15 days prior at 2.30pm
Monday	Sunday - 15 days prior at 2.30pm
Tuesday	Monday - 15 days prior at 2.30pm
Wednesday	Tuesday – 15 days prior at 2.30pm
Thursday	Wednesday – 15 days prior at 2.30pm
Friday	Thursday – 15 days prior at 2.30pm

Timesheets will be able to be accessed on the internet at home from your own computer, from the bookings computer in the proshop and for those that don't have a computer you will still be able to phone the proshop.

Details of new logins and passwords will be explained when you visit the website on September 1st. The website address will stay the same www.thesandstorquay.com

We appreciate your patience over the next few weeks with the implementation of this new system and if you require any help please contact the Office, Proshop

Adam Hayes
